### SUMMARY

Experienced Full Stack Web Developer with 10+ years of expertise in front-end and back-end technologies. Skilled in building scalable, high-performance web applications and optimizing user experiences. Strong problem-solving abilities and a collaborative team player, committed to delivering efficient and innovative solutions.

### WORK EXPERIENCE

#### Full-stack Web Developer

2021 - 2025 **Stealth Solutions, Remote (USA)**

- Transformed design prototypes from Figma, Adobe XD, and Photoshop into fully-functional eCommerce websites using Laravel and Tailwind CSS, or Yii and Bootstrap.
- Integrated third-party APIs, including Authorize.Net and PayPal Subscriptions, to streamline customer order processing. Additionally, connected the website to our CRM via API, enabling seamless storage of order data.
- Administered and optimized websites, proactively troubleshooting and resolving technical issues while delivering prompt support to team members.
